Wide marked Lanes – Fast Lane and Transition Lane

Speed Limit 60KPH

Pit boxes on right, transition lane middle and fast lane on left

Pit Out / Pit Exit Closed Light

- Can line up at Pit Out for Practice and Qualifying
- If you choose to go to your pit box, wait for call on radio to release from your pit box
- Note where Pit lane speed limit ends and Pit closed light on driver's left

Pit Out Merge

Do not cross yellow/green paint on pit out

Cars on track have right of way. Stay right all the way to turn One.

Safe Havens/Orange overlaps

Multiple Safe Havens around track. Marked by Orange stripes.

If possible, move your car close to or in to safe havens if you can't continue

Pit In Merge/Pit Commit line

Get right quickly after exit of Turn 14 to signal intention to pit.

Pit Lane Speed Start/Pit Closed Light

Pit In closed light – center of pit lane

- For Practice and Qualifying you can queue at Pit out or go to your pit box.
- Release from your pit box only after announcement over the radio that you are released.
- If session is stopped (red flag) same release procedure as above.
- Short session
 - If you are off pace, watch for those that are on a flyer.

Thank you!
Have a safe weekend...
